THE PROPERTY

Ground Level: 150.5sqm

Permitted Use: Boutique Fashion or Boutique Retail

Located in the heart of The Rocks the opportunity exists to secure a “Premier George Street location”.

119 George Street is a premium location offering a combination of size and exposure seldom found in The Rocks.

Prior to the subdivision of the site, today's 119 George Street was part of the Hospital precinct. Three buildings forming the hospital followed the western side of George Street, along with Principal and Assistant Surgeons' quarters. These were set back from the street alignment with fenced kitchen gardens.

The change of use and works to the buildings represents the development of the area and its evolution into a commercial and retail precinct as seen today.

This opportunity allows potential tenants to create a very unique environment with a significant ground level retail presence in the heart of The Rocks.

The tenancy boasts excellent frontage to George Street, glazed shopfront and is ideally suited to Boutique Fashion or Boutique Retail.

Due to the significant history the design needs to enhance and capture the surroundings protecting the heritage fabric providing an offer currently not replicated in The Rocks.
